

ADVANCED BEGINNING ITALIAN: Students will understand sentences and frequently used expressions related to areas of most immediate relevance (e.g. basic personal and family information, shopping, local geography, employment, fashion terms etc.) Students will communicate routine tasks requiring a simple and direct exchange of information on familiar and routine matters. Learn to describe in simple terms aspects of background, immediate environment and matters in areas of immediate need. The grammar skills will include reflexive verbs and more past tense verb forms to communicate about events in the past. There will be opportunity to practice and improve conversational skills. These classes use progressively more Italian to grow vocabulary and grammar patterns. English used for clarification, and all grammar lessons are in English.
