

**ADVANCED INTERMEDIATE ITALIAN:** Students learn to understand the main ideas of more complex text on both concrete and abstract topics. They will learn to interact with more spontaneity and fluency to make regular interaction with native speakers possible. Students will be able to describe their dwellings, transportation, occupations, business, and personal goals. They will produce clear, detailed text on a range of subjects and issues giving the advantages and disadvantages of various options. They will learn to communicate using a broad variety of verbs tenses. This class will use progressively more Italian to grow vocabulary and grammar patterns. English used only for clarification, and all grammar lessons are presented in English.
